

M R DIVING

Midlands Rebreather Diving

M R Diving is the Midland's Premier rebreather instruction company.

We provide comprehensive training on the AP Diving *Inspiration* and *Evolution* closed circuit rebreather's from entry level through to advanced mixed gas diving.

Our aim is simple: to provide quality instruction from experience.

You will find our instructors only dive and teach rebreather and have done so since the launch of the *Inspiration* in 1998.

Training courses are held in our new *TDI* facility using high quality visual aids and materials, private pool sessions in a large 4 metre deep pool and open water training dives at your choice of location, whether home or abroad.

M R Diving offers a wide range of rebreather based services:

- Training courses designed for individual needs and abilities with emphasis on learning through enjoyable instruction.
- Regular trips and expeditions both in the UK and abroad for rebreather divers at all experience levels.
- Rebreather try-dives in controlled environments.
- Sales and expert back-up for rebreather's new and old, parts, spares and accessories always available.
- Expert help always on hand to answer questions and queries from people that only dive rebreather.
- Aquazepp DPV training to take diving to a whole new level.

Take time to tour our website and speak to our instructors directly that are approachable, knowledgeable and extremely passionate about rebreather diving.

Many people have chosen M R Diving for their rebreather experience, here is what some of them have said:

"I would like to express my sincere thanks to Matt for running a brilliant course...on the course he made training on the *Inspiration* safe, clear and fun, along with clear and precise explanations and excellent visual aids".

Tony Harrison

"So it's true, you can teach an old dog new tricks, it just takes an instructor who is knowledgeable, skilled and committed to his subject to achieve the result...it was a truly enlightening and exciting experience".

David Heavey
